# **WE'RE HERE TO OFFER SUPPORT AND RESOURCES**

If you or someone you know is in need of support and you're not sure which way to turn, this guide is for you. This guide is designed to make it easy for you to find information on the support resources that are available both on Grounds and in the Charlottesville community. It is not an all-inclusive list, nor does it list all of the services provided by each organization, agency, or department. We hope that this guide will make it easier for UVA students, faculty and staff, and Charlottesville community members to get the support they need.

If you have any questions about this guide or other resources please call the Women's Center counseling line at (434) 982-2252.

### *Tips for Signing a Lease*

1. Talk to current tenants about the landlord and property.
2. If the property or walk to school and back seem unsafe, look elsewhere.
3. See if your parent's homeowner's insurance covers the apartment. Otherwise, obtain renter's insurance.
4. Have all of your roommates sign the lease together.
5. If you and the landlord agree to a provision not stated in the lease, write it in and have everyone add their initials beside it.
6. Keep a copy of your move-in conditions report, take pictures/videos of the property when you move in and move out - avoid having money taken out of your security deposit when you move out!
